Play Yard Inherent Conditions:

Initial

I understand that though my pet will be supervised and that full efforts are made to provide a safe and fun environment in the play yard, that my pet could become injured or ill because of the unpredictability and inherent risk that placing dogs together in a shared area creates. This includes but is not limited to infections, bites wounds, orthopedic injuries, heat stress/stroke, escape from the enclosure and death.

Boarding Inherent Conditions:

Initial

Occasionally pets may develop problems from environmental and dietary changes. Signs may include: vomiting, diarrhea, coughing, sneezing and self-trauma such as scratching or biting their skin. We take great care so that these problems won't occur and we treat our guests promptly, if needed. However, please be aware and understand that these conditions can develop and that the hospital is not financially responsible for these inherent conditions, if they do occur.

Personal Belongings:

Initial

Leaving personal belongings, i.e.: totes, bags, toys, blankets, bedding, etc., is not allowed due to sanitation and orderliness requirements. If you have questions about this, please discuss with the admitting technician. The facility is not responsible for any items if lost or soiled. Collars and leashes may not be left at any time.

Abandonment:

Initial

Please notify us if there is any change of plans in your pet's scheduled release date. If you do not notify us of a change in your pet's departure date and either we do not hear from you or are unable to contact you or your authorized agent for a period of 14 days after your pet's scheduled release date, the Hospital will consider your pet abandoned according to the animal abandonment laws in your state. Please be advised that the pet owner will be responsible for the fees accrued and any other fees or legal services incurred by the Hospital as a result of the abandonment.

If you have any questions or problems, please call your caring VCA Simmons Barkers Hotel staff. Thank you!
