If there is an evacuation, our staff will also evacuate. If for some reason your pet is not picked up by the time deemed necessary; boarding fees will be tripled, food, daily care, and medical services will be charged to the pet owner.

I hereby understand and agree that there are risks associated with leaving my pet at VCA Algiers Animal Hospital (hereafter "Hospital"). I understand and agree that by leaving my pet at Hospital, I am assuming certain risks, such as the possibility that my pet is injured or killed either directly by a severe weather event or indirectly as a result of the severe weather if, for example, the Hospital/boarding facility loses its ability to provide adequate care to my pet (e.g., from loss of electricity, water, or inability of staff to go to work).

I further agree to hold harmless and release Hospital, its employees, officers, directors, parents and affiliates, against any and all claims, including court costs and attorneys fees, arising out of or connected with any damage, injury or death to my pet caused by or alleged to have been caused by VCA.

I further agree to hold harmless, indemnify and defend Hospital against any and all claims by third parties, including court costs and attorneys fees, arising out of or connected with any damage, injury or death caused by or alleged to have been caused by VCA.
