## Cat Behavior Questionnaire

The process for treating behavior issues involves many important steps.
Step 1: Forms must be filled out in detail and returned to the clinic. These will be carefully reviewed by the doctor before your appointment. All of your answers are confidential. Please call the hospital for the current cost of the doctor review in preparation for visit and behavior consult.
Step 2: After receiving forms and payment, the receptionist will schedule the exam, labwork and consultation.
Step 3: Bring your pet in for a physical exam, blood and urine tests and the behavior consultation with the doctor.
Please call the hospital for current costs of:
Physical Exam
Labwork
Behavior Consultation (pre-paid at step 1)
*Additional cost could include medications for physical or behavioral problems.
Step 4: At the end of the visit, written material will either be given to you or mailed.
