

Daycamp Evaluation

Daycamp is a cage-free service designed for social dogs to play and have fun. Safety is our primary goal, therefore; **Daycamp Is Not For Every Dog.** It is not a place for aggressive dogs to learn how to be social. To be accepted into our Daycamp program, each potential Daycamp Guest must:

1. Complete the Pet Profile and Evaluation Form
2. Be at least 12 weeks of age and have completed full series of vaccinations (Rabies, DHPP, Bordetella, CIV, and Leptospirosis)
3. Meet our vaccination and temperament standards
4. Be spayed or neutered (except puppies under 6 months of age)
5. Complete & Pass Daycamp Evaluation
6. Be deemed "safe for play"

Overnight Guests wishing to attend Daycamp must be accepted for Daycamp prior to their first day of overnight stay. Clients are strongly encouraged to make reservations for their dogs to attend Daycamp. Daycamp is limited in size, so please book ahead to avoid disappointment. Priority goes to clients with standing reservations. We request 24-hour notification for cancellation in order to properly staff a safe play environment.

Daycamp Evaluation Fee= \$40

An evaluator will determine best fit for small or large daycamp dependent upon size and behaviors for best fit.

Owner's Name: _____

Home Phone: _____ Cell: _____

Other's authorized for pick-up: _____

Pet's Name: _____ Birthdate: _____ Spayed/Neutered

Been around big dogs? YES NO

Been around small dogs? YES NO

Been around 5 or more dogs at one time? YES NO

List any medical conditions: _____

List any unusual behaviors: _____

List any other behaviors we should be aware of: _____

Assumption Of Risk: Owner acknowledges and is aware that the employees of The Barkley are not veterinarians and do not have backgrounds in animal medicine and are not expected to diagnose or detect illnesses in the dogs utilizing Services at The Barkley. Owner understands that the Service’s leash-free environment allows dogs the opportunity to play in close physical contact (including nose-to-nose) with each other. Owner further understands that dogs are pack animals, lead with their teeth and paws, and are unpredictable in nature. As a result, no amount of vaccination requirement, supervision, sanitation, or personalized care from The Barkley can be 100% certain to prevent a Dog from being injured or contracting an airborne virus or communicable disease. Despite these precautions, Owner understands these are risks inherent to the Services and hereby releases The Barkley, its employees or members or other agents, from any and all losses, damages, costs and expenses arising out of or in connection with any injury, communicable disease, airborne virus, or any other medical condition contracted by owner’s dog at The Barkley. This also applies to any claims for injuries or damages relate to such medical care or transport. Furthermore, Owner agrees to be held solely responsible for any and all acts and behavior of dog while in care of The Barkley, including payment of costs for injury to staff or other animals or damage to facilities caused directly by the dog.

Owner’s Initials: _____ Owner further understands that dogs play and lead with their teeth and injuries including cuts, scrapes, and puncture wounds can be a result of play and not necessarily aggression. Owner agrees to be responsible for all damages and medical treatment for all injuries to dog. Owner also understands and acknowledges that if an injury is proven to have occurred due to unprovoked aggression, Owner of aggressive dog is responsible for medical treatment of injured dog. This includes any emergency exam fees. Owner authorizes dog to be seen by Westlake Village Animal Hospital during their hours of operation or transported and seen by a 24 hour vet hospital in the event The Barkley deems necessary for emergency treatment or doctor’s assessment.

In the event that after passing Daycamp evaluation there is a period of time where your dog does not attend camp for a year or more it will require a re-evaluation. The re-evaluation will be the same process and is to ensure that your dog is still a good fit for “safe play” and the mix of dogs currently attending Daycamp.
