**Please review our policies and then sign and date at the bottom:**

**Emergencies:** *In the event of an emergency, I authorize The Barkley Pet Hotel and Day Spa to immediately seek professional veterinarian attention for my pet (at my expense). I understand that all attempts will be made to contact me in the event of an emergency.*

**Coat Condition:** *I understand that The Barkley Pet Hotel and Day Spa puts my pets comfort above all else. In the event that my pet's coat is matted, I understand that the groomer may have to shave the mats out rather than perform a painful de-matting procedure. I also understand that if my pet is severely matted, that there is an increased risk for clipper burn or cuts to occur. I understand that all attempts will be made to prevent this, however, in many extreme matt conditions, it is unavoidable. I also understand that matted pets take additional time to groom so there will be an additional fee added on the regular grooming price if my pet's coat is matted.*

**Health:** *I understand that grooming can be stressful to some pets and I will inform the groomer if my pet has any heart conditions or any stress related issues prior to grooming. I also understand that it is necessary to have my pet up to date on all vaccinations prior to every grooming.*
